

# TECHNICAL DATA SHEET

## DucoVent Basic

The DucoVent Basic is a standard plastic exhaust vent. Adjustable by a cone that screws in and out. Suitable for ceiling and wall mounting.

### Physical characteristics

<b>Part number</b>	4178
<b>Weight</b>	125 g
<b>Material</b>	Steel Plastic / PVC
<b>Colour</b>	White (RAL 9010)
<b>Surface treatment</b>	enamelled
<b>Fitting / setting-up method</b>	suitable for ceiling 180 cm min. above floor 60 cm min. from wall
<b>Connection</b>	with clamping springs on 125 mm duct
<b>Setting</b>	continuously adjustable, lockable by means of a spindle with locking arrangement / locknut

### Ventilation characteristics

<b>Maximum flow rate (m³/h)</b>	75
<b>Back pressure</b>	25 m³/h → 15 Pa for A = 30 50 m³/h → 15 Pa for A = 20 75 m³/h → 10 Pa for A = 15
<b>Sound deadening</b>	no
